ABOUT COMPANY

SFM International General Trading (SFM) has started its journey in 1993 from Afghanistan and in 2011 ventured to the emirate of Dubai in United Arab Emirates under the vision and leadership of Mr. Najib Ahmad, Founder and Managing Director, of the firm. The company is dealing in FMCG, food and non-food products of well-known brands around the world. We fulfil the requirement of our clients by delivering their requisite quality and quantity of products at best competitive prices. Through continuous effort, focused approach we have expanded our products as well and by our committed services have won the trust of both our suppliers and clients. We deal in over 10,000 products of many large brands and conglomerates. Further-more we have developed our NELSA brand in which multiple products in various packs and sizes have been launched. We also hold full distribution rights for certain products in the Middle East. At SFM, we cater across wide variety of

products which fall under following categories - Confectionery items, Beverages, Frozen products, all type of Noodles, almost all Lentil products, Flour, Breakfast products, Canned Food, Nuts, Snacks, Sauces, Spices and Non-food items. We are serving our clients for more than 25 years and now we are expanding our business to Western and European countries by producing under our own brand with a vision to serve each and every country of the world. We specialize in supplying various food and non-food items to major hotels, restaurants, catering companies, traders and resellers locally, across the region and in certain international markets.

Message from the CEO

As the global market continues to evolve, the demand for Fast-Moving Consumer Goods (FMCG) has never been higher. Our company takes great pride in being at the forefront of the import and export of these essential goods, which touch the lives of consumers worldwide on a daily basis.

We understand the importance of a seamless supply chain to deliver products that are both high in quality and consistently available. Through strategic partnerships, robust logistics, and a commitment to sustainability, we ensure that our FMCG products are delivered efficiently across international markets, catering to the diverse needs of consumers.

Our dedication to innovation and efficiency drives us to continuously enhance our processes, ensuring that our products remain competitive, accessible, and responsive to market demands. As we expand our global presence, we remain focused on building strong relationships with our suppliers, distributors, and stakeholders to create a positive impact in the markets we serve.

We are proud of our role in connecting people with the products they rely on daily and will continue to explore new opportunities that drive growth, strengthen our brand, and contribute to the sustainable development of the FMCG sector worldwide.

Thank you for your continued trust and support as we move forward in shaping the future of FMCG trade globally.

NAJIB AHMAD
CEO

Our Accomplishment

With over 25 years of industry experience, we've grown into a trusted leader in the FMCG sector. Our dedicated team of 50+ professionals drives innovation and operational excellence across 6 global markets.

We proudly manage a diverse portfolio of over 100+ renowned brands and continue to expand our reach worldwide. Our commitment to sustainability and customer satisfaction has allowed us to maintain a competitive edge and build lasting relationships with both suppliers and consumers.

We remain focused on delivering quality products and creating new opportunities for growth in the ever-evolving FMCG industry.

Our Mission

Our mission is to deliver high-quality, innovative FMCG products that enhance the lives of consumers globally. We are committed to sustainable growth, operational excellence, and building strong partnerships to meet the ever-evolving needs of the market.

Our Vision

To be a global leader in the import and export of FMCG products, providing seamless logistics, efficient warehousing, and reliable distribution solutions. We aim to enhance supply chain efficiency and ensure timely delivery of high-quality products, creating value for our customers and partners worldwide.

Our Services

We cover all types of channels across the GCC which includes:

- Five Start Hotels
- Fine Dining Restaurants
- Ship Chandlers & Cruise Lines
- Bakeries & Cafeterias
- Quick Service Restaurants
- Catering Companies
- Airlines & Hospitals
- Super Markets
- Hyper Markets

Our Target market

We are the leading Importer, Exporter & Distributer of FMCG Products in the GCC region, neighboring countries and south-Asia

Brand Identity

SFM is a global solution in the industry of food and trading, which will serve every client's needs. Currently, SFM is a company that targets both B2B and B2C customers under one roof. SFM International offers products that can be used in any cuisine. The company's growth as an entity has enabled it to help a wide range of clients, who are characterized by their commitment and reliability, due to its largely service-oriented approach. Their business is defined by trust, which is why they have accumulated a loyal client base.
